GOVERNMENT LOAN.
The \$300,000,000 loan bill has now
passed both Houses of Congress, and needs
but the signature of the President.

RAISING THE TROOPS.
Major Morris is now at Calvo paying off
the troops in Gen. Prentiss' brigades. As
might be supposed, there is general re-
joicing in camp—the soldiers having
not having had money enough to pay their
postage.

COMPANIES A and B, Chicago Light Ar-
tillery, have been mustered into service
by Capt. Fischer for the war.

THE FORTRESS OF BIRMINGHAM.
Our diplomatic relations fail to any
degree to "forward" movement. We
are much pleased to learn that it is about
to take place, but we think we have heard
of it before. It appears that the suggestion
of the south side of the Potowmack has
been formed into brigades, and that all the three
months men have been included in the ar-
rangement. Unless all signs are to the
contrary, this must be regarded as an indica-
tion of an advance, because the term of
enlistment of one half of Gen. McDowell's
column expires next week and the whole
star.

The men just suited to the transportation of loads over our Western country, just such as those of which the Mormons annually buy hundreds in the West. They are to be engaged for a time. And many better could be found.

THE DOUGLASS.—The signs of fire last night between 6 and 10 o'clock were the whole fire department was out, without finding any fire.

THE HALL OF THE FANTZ.—The large batch of prisoners arrested at Waukegan Hall on Monday evening, when they had gathered to witness a Grand Sparring Match between two regiments, struck the hearts of the assembled Fraternity. Some one hundred and fifty of them passed the night in the stockade, and were let off with small fines in yesterday's Police Court.
